The Applicant, BUTLER COUNTY WATER SYSTEM, INC. ("Butler"), by Counsel, moves the Commission for a deviation from the requirements of 807 KAR 5:001, Section 10(7)(b) which requires the filing of the most recent capital construction budget. For cause, Butler states as follows:

1. Butler moves the Commission for a deviation from, or a waiver of, the requirement that it file its most recent capital construction budget as required by 807 KAR 5:001, Section 10(7)(b). No such capital construction budget exists. Butler has not adopted a capital construction budget concerning any future additions or improvements to its water system infrastructure.

3. This Motion for Deviation, or a request for a waiver, is being made pursuant to Commission Regulation 807 KAR 5:001, Section 14, and all other applicable rules and regulations.

For the foregoing reasons, Butler respectfully requests a deviation from the requirement that it file its most recent capital construction budget as required by Commission Regulation 807 KAR 5:001, Section 10(7)(b).
